Practices missed on weekends due to tournaments may not be made up.

6. How are practice times determined?

Typically, 10 players are chosen. Occasionally, based upon a coach's offensive philosophy, a team may have 9 or 11. **NOTE:** Many clubs now place 12 on a team.

8. How do tryouts work?

Each club holds tryouts to select their teams for the upcoming season. Parents pay a fee (\$30 for Prime Time) for their child to participate in the tryout. At the tryouts, coaches are looking for players to fill a variety of positions and needs. Once their team is selected, the coaches will call the selected players and offer them a position on the team. Due to the number of players trying out, players not selected are typically not notified personally. Those who register online may receive email updates about teams.
